

This is a large introductory paragraph at the top of the document designed to test document parsing capabilities. The paragraph contains substantial text that spans multiple lines and provides context for the table that follows. Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua. Ut enim ad minim veniam, quis nostrud exercitation ullamco laboris nisi ut aliquip ex ea commodo consequat. Duis aute irure dolor in reprehenderit in voluptate velit esse cillum dolore eu fugiat nulla pariatur.

This second paragraph provides additional context and background information before the table appears. It is designed to ensure that the document has substantial text both above and below the table structure. Excepteur sint occaecat cupidatat non proident, sunt in culpa qui officia deserunt mollit anim id est laborum. Sed ut perspiciatis unde omnis iste natus error sit voluptatem accusantium doloremque laudantium, totam rem aperiam, eaque ipsa quae ab illo inventore veritatis et quasi architecto beatae vitae dicta sunt explicabo.

This paragraph appears below the table and serves to test whether document parsing systems can correctly identify and extract text that follows tabular data structures. The text continues with additional content that demonstrates the parser's ability to handle mixed document layouts. Nemo enim ipsam voluptatem quia voluptas sit aspernatur aut odit aut fugit, sed quia consequuntur magni dolores eos qui ratione voluptatem sequi nesciunt. Neque porro quisquam est, qui dolorem ipsum quia dolor sit amet, consectetur, adipisci velit, sed quia non numquam eius modi tempora incidunt.

This final paragraph concludes the test document with additional text content. The document now contains a complete structure with introductory text, a substantial data table with 30 rows, and concluding text. This layout is typical of business reports, data analysis documents, and similar structured information. Ut enim ad minima veniam, quis nostrum exercitationem ullam corporis suscipit laboriosam, nisi ut quid ex ea commodi consequatur. Quis autem vel eum iure reprehenderit qui in ea voluptate velit esse quam nihil molestiae.
